Kathy,

The Tin Can Bay Model Flying Club is recognising the Piper Corporation's 80th anniversary of the J3 Cub.

To celebrate this we are including a special category in our Annual "Queensland Scale Model Muster" Third Anniversary held over the Long Weekend 30th September - 1st October this year.

We encourage any modeller who has or loves the Piper Cub, in all it's formats to attend and participate.

Please see the attached Flyer – we will be up-dating this with sponsors and prizes

Would you broadcast this information to all Clubs and include in the next Newsletter

Additional Club events to include in the Newsletter are:

- Pattern Comp – 10 – 11 June 2017 all classes Camping Available contact Club President
- IMAC Comp – 1-2 July 2017 Contact Michael Hobson through the ASAA web site
