

# OT Championship 2021

## NOTAM 1

Hi Guys

Sorry about the late official invitation. We are a little casual this year with the disruption and distraction of covid still lingering around. For those of you who have not been in touch on our Facebook page, we will be running our annual OT championship on the weekend of the 10<sup>th</sup> and 11<sup>th</sup> of July. Competitors are coming from way down south again and all campers are welcome to arrive early in the week and enjoy our field before the official Friday arrivals. As usual we will be welcoming camping arrivals on Friday with an evening meal as part of our standard catering package. Catering will be as per past events with consideration for covid requirements.

We will be starting with the normal program of events on Saturday as per our past competition weekends.

Saturday      Texaco—Duration—Radian Glider

Sunday        Catapult Glider—Burford

The Catapult glider event is a popular event so get your modified chuckies ready. **This event is open to any design and any modifications to recognised designs** Try these sites for ideas

Please be aware that we will not be running the OT Championship event if there is a strong chance of (continuous) rain on both days. We will be watching the forecasts closely and be reporting our thoughts as we get closer to the event. If required, a cancellation will be called on the morning of Wednesday the 7<sup>th</sup> of July.

**More updates to follow.**
